-o0o-

ORDER:-

Government of Telangana has taken up a prestigious programme called Mission Kakatiya for restoration of all Minor Irrigation Sources in the state to restore them to its original capacity which directly increases the Irrigation Potential of said tank and to effectively utilize the 255 TMC of water allocated for Minor irrigation sector under Godavari & Krishna River basins. Apart from that, the villagers ie., different Caste Communities like Fishermen, Dhobi, Goud Community, Farmers Community whose livelihood is directly or indirectly dependent upon tanks will be benefitted. Due to several communities' involvement, people will own the tank for its improvement. This concept made the Government to permit the interested people to "Adopt a Tank".

2. In the reference second read above, the Chief Engineer, Minor Irrigation (K), Hyderabad among others, has requested to issue necessary Guidelines for "Adoption of Tank".

3. Government after careful examination of the proposal, hereby issue the following Guidelines for "Adaption of a tank" to any interested people / NRI's / organizations / NGO's etc who are willing voluntarily to take it up either by cash or kind contribution.

A) By Donation:

i. It is proposed to adopt a tank of their choice by anybody interested duly bearing the complete expenditure ie., total cost of the Scheme. The name of the tanks will be prefixed with the name of the Donor.

Example: Original Tank Name: Pedda Cheruvu of -----Village-----
Mandal. After adoption it is renamed as Venkaiah Pedda Cheruvu of -----
Village-----Mandal.

ii. If anybody proposed to donate a specific amount of Rs. 5.00 Lakhs / Rs. 1.00 Lakhs / Rs. 10,000/- to a specific tank, the name recommended by the donor along with donated amount will be written on the sign board placed at the tank site.

iii. Some people are donating simply for "Mission Kakatiya" Programme. Example: One day salary donated by the different categories of employees ie., Engineers JAC, NGOs etc., will be spent on Mission Kakatiya works in general.

B. (i) Some agencies like Builders Association of India are coming forward to execute the works with their men and machinery. In this connection it is permitted to execute the works with their men and machinery under the supervision of Irrigation officials as per the standards laid by the Department, after obtaining the Administrative Approval from the Government.

P.T.O

(ii) Some local people are coming forward to participate in execution of works by way of SRAMADANAM / SUPERVISION.

In such cases they would be informed to assist the AE / AEE / WI at site for such jobs (i) counting the number of tractors trips, (ii) whether the work being carried out as per the instructions of the department., (iii) Whether dumping of silt is being done in the fields of farmers or not. (iv) Whether curing of Cement Concrete Work is properly done or not. (v) To monitor the supply of water etc to the people working at site etc., It is only indicative duty / job chart for the persons / NGOs who wants to participate by way of SRAMADANAM / SUPERVISION. Their job chart will be decided by the concerned AE/AEE/ WI at site as per the requirement.

All the donations are to be given in the form of Cheque / DDs in favor of "Chief Engineer, Mission Kakaitya"

The role of the department:

1. The Executive engineer concerned is responsible for getting the work completed by the adopted person / agency as per the norms and procedures of the department.
2. The FTL boundaries are to be fixed before handing over the site of the tank to the donor / executor for grounding of the work by them.

The above activities will be looked by the Mission Kakatiya Trust.

4. The Chief Engineer, Minor Irrigation (GB/KB), Hyderabad is therefore, directed to take suitable measures for the issues raised in the paras 1 (g), (h) & (j) of third read above, in the aspect of certification and payments procedure by PAO's and deduction and adjustment of statutory recoveries to concerned Heads in cases of receipt of part donations for a particular tank or donations generally received in favour of the MK trust.

5. The Chief Engineer, Minor Irrigation (GB/KB), Hyderabad is also directed to examine for depositing the donations with the concerned PAOs as and when received in to the Trust for a particular tank and also as per the requirement for payment of work bills of tanks in general so that entire payments can be made by PAOs to avoid the possibility of double payments.

6. The Chief Engineer, Minor Irrigation (GB/KB), Hyderabad, shall take necessary action, accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF TELANGANA)
